**The World Market for Substation Automation
and Integration Programs
in Electric Utilities: 2008-2010**

Volume IV

Market Forecast & Assessment

Section One: Estimating and Calculating the World Market Potential Value
of Substation Automation Programs

Section Two: Estimates of Population, Electric Production Capacity,
Operating Transmission Substations and
Operating Distribution Substations

Market Potential for Substation RTUs and PLCs
by World Region

Section Three: Value of North American Electric Utility Expenditures for
Substation Automation and Integration Programs
Estimates and Forecasts: 2008-2010

Section Four: North American Market Share Estimates:
Substation Controlling Devices
